Tiger Newsletter

Well, our school year is winding down. It's hard to believe this is the last month before Summer Camp starts. Time sure does fly when you're having fun!!

I am so proud of all of my Tigers for filling up the "Warm & Fuzzy" jar by doing good deeds and being kind to one another. Their reward was a much deserved pizza party! We are starting all over again with our empty jar. Keep up the good work Tigers!

Our Star of the Month for May is Calvin. Calvin is one of the friendliest kids I have ever met. He loves art, centers, stories and singing. He is always very helpful around the classroom. Keep up the great work Calvin!

The themes for May are Mothers Day, letter X, Y & Z, Shapes and a surprise week! Our art will include X-rays, Xylophones, Yo-Yo's, Yarn, Zebra's, Zoo's, Triangles, Circles, and many more. We have some fun and messy science planned such as: hopping corn, alka-seltzer rockets, noodle comparison and a shaving cream discovery.

Special Dates in May:

May 4th	Star Wars Day
May 6th	Muffins with Mom Event
May 8th	Mother's Day
May 30th	Memorial Day – Center Closed

Please be sure to read the Director's newsletter for important information happening around the center and as always don't hesitate to see me if you have any questions or concerns.

Miss Christi ☺
