Little Roo Newsletter

We have a lot of fun activities scheduled for the month of May. Mother's day is right around the corner and we want to celebrate our mom's. Read on to learn about what we will be doing!

Curriculum

Mother's day will be featured for our first week of May curriculum. The rest of the month we will continue learning the last of the letters of the alphabet and numbers 23-25. The 9th-the 14th we will focus on letter "X" and number 23. The 16th-20th we will feature "Y" and #24. Last, but not least the 23rd-27th we will learn the letter "Z" and number 25.

Important Dates

During our Mother's Day week for our show and share, we are asking our little roo's to bring in something related to star wars. For mother's day we will be celebrating our mom's on Friday, May 6th by having muffins with mom. On the 13th we will be having a frog jumping day which includes playing leap frog. Also, please mark on your calendars at home the center will be closed for Memorial Day on Monday, May 30th. Hope everyone enjoys mother's day and the extended holiday weekend!

Reminders

I would like to take this opportunity to remind our little roo parents of a few items. Since the summer months are close, please bring: a water bottle and sun tan LOTION in for your child as well as summer extra clothes. Please be sure to label everything your child brings to the center, including show and share items. Show and share is every Wednesday and we prefer that play items from home are only brought in on this day of the week. If your child would like to bring in a stuffed animal for nap, please be sure to keep it to a maximum of one item and have it labeled with your child's name. Please also be sure to take any art or items sent home at the end of each day; with the exception of nap items only being taken on Fridays. Please help us maintain our head count by signing in and out each day and evening. Thank you for your attention to these items. Happy Mother's day and Memorial Day!

Best Regards,

Miss Meg
